<div>Reports:</div> <div>2024-10-07   Patrik Bartel   📖⭐   🔗★   🌊 Low   👍 Completed If you want to get out of the habit of canyoning, you can do it. After 6 rappels, go up on the left, as the guided tours do. (machine translated)</div> <div>2024-10-07   Bina   📖⭐   🔗★   🌊 Low   👍 Completed The first 4-5 rappels are nice (this part is also guided). After that comes the 1st wooden blockage and from then on, apart from a few ok rappels (some without belays), the canyon is the biggest sucking ditch I've ever done. Eternal walking on slippery stones, between thorns, fallen trees,... (machine translated)</div> <div>2024-02-27   Christian Balla   ⭐⭐⭐   📖   🔗★★   🌊 Normal   👍 Completed Beautiful waterfalls but unfortunately a lot of walking. The first anchor point is great, but the quality deteriorates noticeably in the canyon. In the last third, natural anchors have to be used in places, e.g. using macramé. (machine translated)</div>
