Automatisch importiert von Descente-Canyon.com für Canyon Betton Canyon très joli, avec de nombreux équipements pour maniper si on le souhaite, mais assez court. Parcouru seul en 45mn en comptant le retour à la voiture. (Quelle: https://www.descente-canyon.com/canyoning/canyon-debit/2583/observations.html)

Automatisch importiert von Descente-Canyon.com für Canyon Betton Petit canyon parfait pour débuter en autonomie et réviser les manipulations de corde (pas de saut). Les premiers amarrages sont des cordes sur des arbres. ensuite les relais sont chainés et en bon état. (Quelle: https://www.descente-canyon.com/canyoning/canyon-debit/2583/observations.html)
