Specialities:		
Gear:		

Summary: (machine translated)
Dry canyon, for beginners, without great slopes and with peculiar formations, especially its natural arch.
Mandatory combination of vehicles.
After rains, watching the flow just in case, the ravine becomes a spectacle of waterfalls.

Hydrology: (machine translated)
Yes, see mole

Access: (machine translated)
By the southern highway TF1 to El Tablado (exit 30), where we leave to take the TF616 to La Puente, we will park the return vehicle.
We return to El Tablado and take the TF617 up to El Escobonal, we take the TF28 northbound almost to kilometer 35 to take the detour to the right to Montaña de Abajo and the cemetery. We will go to the cemetery where we will leave the access vehicle.

Approach: (machine translated)
We follow the track in SE direction until it ends and becomes a kind of path that leaves us in a tributary riverbed on the right of our ravine, at the end of the riverbed it falls into the ravine with the access rappels.

Tour:
Ver topo

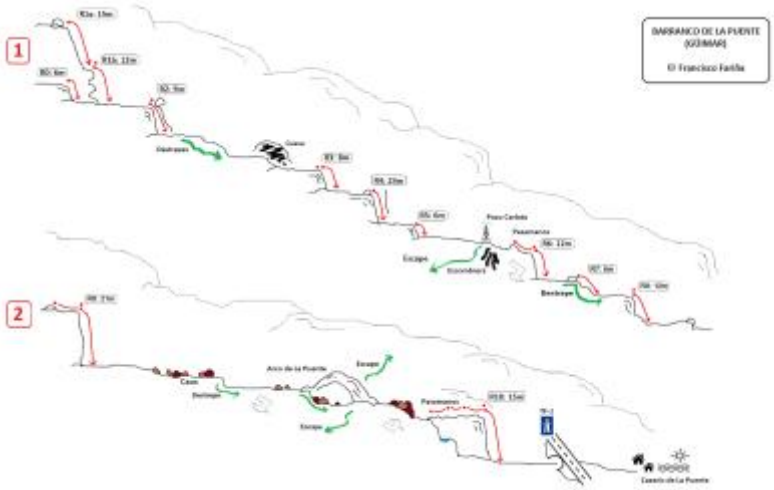

Return: (machine translated)
You get to the highway, pass under it and arrive at La Puente.

Coordinates:
Canyon Start 28.2636 -16.4160
