Summary: (machine translated)
Open rappel canyon.

Hydrology: (machine translated)
Not very serious.

It dries out in summer, so spring is a good time to see it in good condition, preferably after a downpour.

Access: (machine translated)
From Coustouges, after the Riu Major bridge, continue on the departmental road towards the border and park on the Can Rogelio road that branches off before Tapies.

Approach: (machine translated)
Follow the paths that lead along the shore up to the starting point.

Tour: (machine translated)
Travertine waterfalls

There are several other water trails in the valley of the Riu Major inferior and superior, created by Kèvin M Trujillo.

Return: (machine translated)
Back on the path, then on a clearly recognizable path to the car.

Automatisch importiert von Descente-Canyon.com für Canyon Tosca Sortie canyon de Noël, sur un coup de tête !
Beau petit parcours pour enfant, le chemin est à côté, on peut venir avec des non-pratiquants, des amis qui ont le vertige, des parents qui savent pas nager.. même ton grand-père il passerait sans problème :). Bref, une joli balade entre rando et canyon. Très beau paysage au départ, face au versant sud du massif des Salines, avec le canyon majeur du Clot del Ballo !!
L'eau n'était pas froide, on se mouille très peu d'ailleurs. L'équipement est bon, il est d'ailleurs à peine nécessaire. D'ailleurs, d'ailleurs joyeux Noël ! (Quelle: https://www.descente-canyon.com/canyoning/canyon-debit/24212/observations.html)
