Specialities:

Gear:

Summary: (machine translated)
Dry canyon with a couple of very interesting cantilevered rappels because the installation only allows two people on a cantilever.

Hydrology:
Posibles

Access: (machine translated)
We have to go to Vistabella del Maestrazgo where we will arrive by the CV170.
Access Bcos Olles, Mas Coix and Pinella
Once in the village, follow the road towards Peñagolosa NP, after passing Les cases de l'Alfori take the CV1720 to the right.
Continue in a straight line for a couple of kilometers to a watering place and a water pond where a track / road to the right. Just before reaching the GR it becomes a track. Follow the GR towards the Ermita de San Bartolomé (on the left). We will pass the Mas de Coix ravine, the detour to the hermitage and arrive at the Pinella ravine and Casas del Capote. A little further on, in the next watercourse that has a track on the right we park.

Approach: (machine translated)
We go down the watercourse towards the barrando de la Pinella, when we reach it we encounter the first difficulties.

Tour: (machine translated)
Dry canyon, except after rains, when the descent becomes much easier. The two cantilevered rappels are incredible with water.

Return: (machine translated)
After the last rappel, a milestone on the left shows us a "path" to go up the ravine to a track that leads us to the car.
