Access: (machine translated)
Bcos El Risco area
We have to be located in the NW of the island, next to the Natural Park of Tamadaba, in the town of El Risco.
Location of Berros, Corralete and Cho Ildefonso banks.
We will go by the GC2 until El Risco where we will take the GC200 southbound until the p.k. 19.4, past the Berros reservoir curves we have a place on the right to park the access vehicle.
The return vehicle, if we have it, we must have previously left it going down from the village to the beach, because the return is done here.

Approach: (machine translated)
The access is almost immediate, we go back a few meters to the ravine.

Tour:
Ver topo

Return: (machine translated)
After the last rappels we will find the path that crosses the ravine and serves as a return by going back up to the left or descending to the beach on the right.
