Ropes: 2x30

Summary: (machine translated)
Nice canyon situated in the Triglav National park and its unfortunately prohibited to go. It offers nice aquatic rappel and technical jumps. Worth doing only in spring or after rain, oterwise its mostly dry.

Beautiful canyon with nice jumps. First slide is 12 meters. The rappels are not high but on some parts a little bit technical. The anchor points in very bad shape. On two waterfalls we had to clb out of the canyon and go around. Worth going after rain, otherwise it is dry in summer.
