Summary: (machine translated)
(REINSTALLED JUNE 2026)
Dry canyon but very fun, it is a succession of endless rappels to the bottom, very vertical. To combine with any other in the area, it shares approach with Repla dels Pins.

Hydrology: (machine translated)
Possible in many parts of the canyon

Access: (machine translated)
Crevillente ravines situation
By the A7 we go to Crevillente. If we go from Alicante we leave by the N340 we enter the town.
Situation parking and access to Crevillente ravines
Just at the entrance of Crevillente we take the first street on the right, a wide avenue that leads us to the north of the village, we pass by the health center leaving it on the left. We will continue straight ahead and then take some streets to the left in search of Calle Molinos. We will leave the village leaving the Hermitage of Sant Pascual on the left, we continue along the same road towards "Els Pontets" we will continue straight ahead for 1 km where we will park.

Approach: (machine translated)
Accesses Repla Pins and Colcho
We will leave by the winding path that climbs to Pi de Alivi, we can also climb more smoothly by the PR CV109 following its marks. Upon reaching the pine, in the small plain, we will leave the path that climbs to the top (towards the bco Barbereta) and we will go to the right, along the path that leads us in search of the dry riverbed. The first ravine is Repla Pins and the second is Colcho.

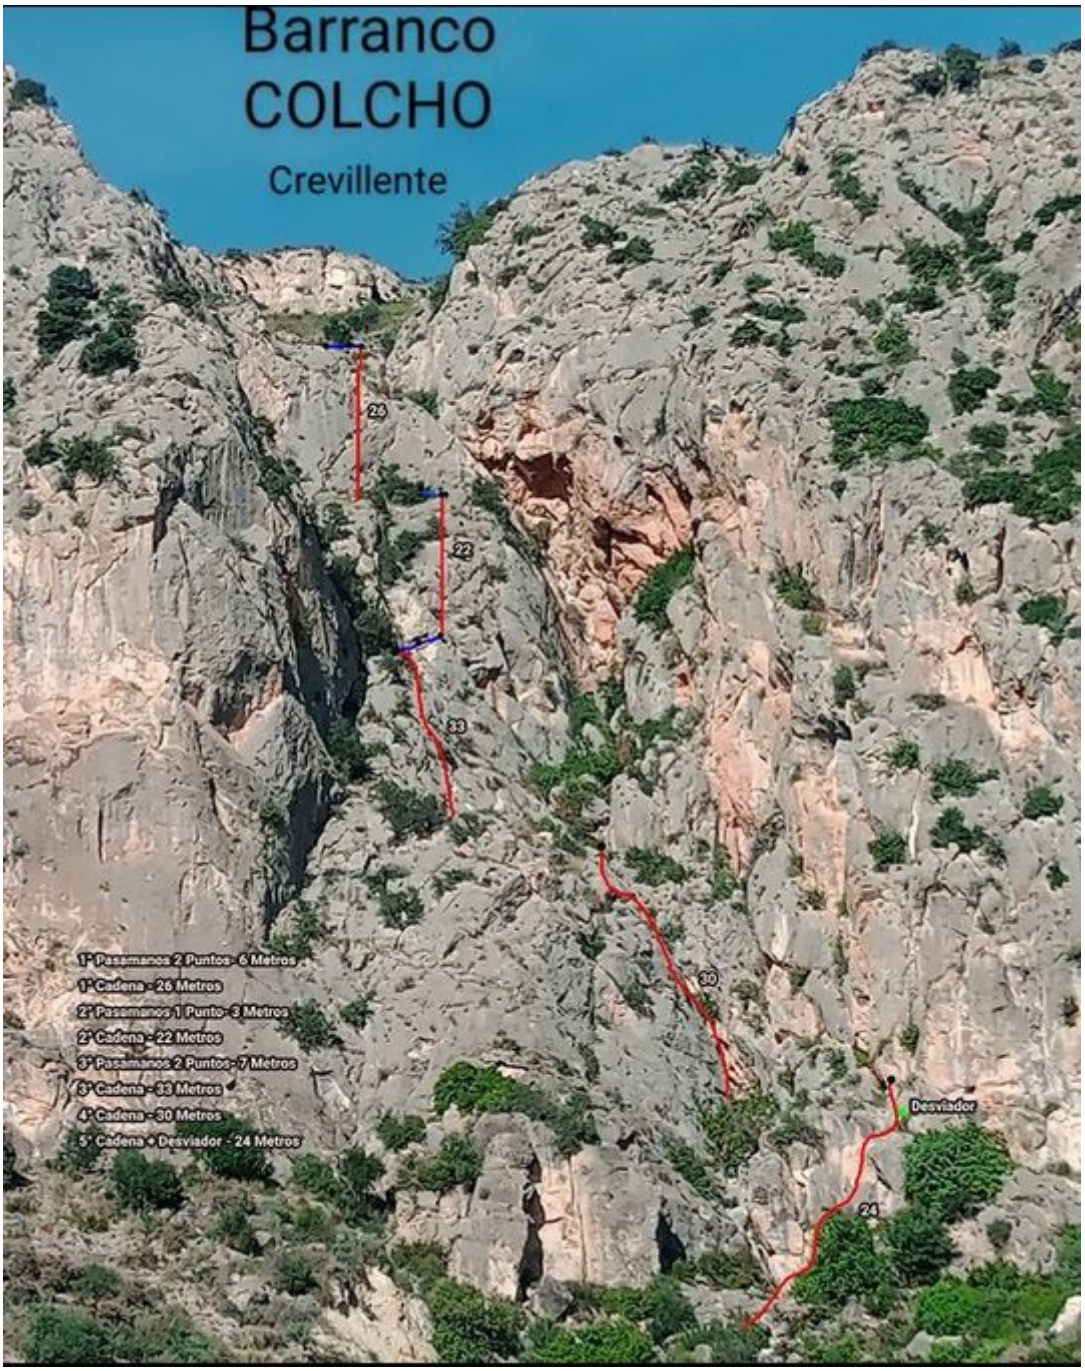

Tour: (machine translated)
Succession of vertical rappels

Return: (machine translated)
After the last rappel, we will find a path that heads south. We will follow it to the parking area
