Summary: (machine translated)
Very simple canyon, of initiation, to be done after rains so that it takes good flow, although it does not get to dry in the whole year. Destrepoes, slides and some small rappel.

Hydrology: (machine translated)
At all times

Access: (machine translated)
Situating us in Cee, in the estuary of Corcubión, where we will take the AC-550 to Ézaro.
In the pk 4 we have the detour to Ameixenda, next to the church we will be able to park the car of return.
With two cars we will continue by the AC197, passed the cemetery there is a picnic area to the left and a track that goes up by which we will get in and park further up.

Approach: (machine translated)
With a car we will go to the village of Igrexa (they are together) and take a track that goes off to the left and in 400m will join the picnic area.
By an old track that goes north towards the stream, almost at the confluence of the tracks, it becomes a path and in 300m crosses it and we access to the picnic area.

Tour: (machine translated)
Open, simple and entertaining, perfect for beginners.

Return: (machine translated)
We arrived at the same town
