<b>Summary:</b> (machine translated) Raw data import from Ropewiki <a href="https://ropewiki.com/Drahin_(Lower)">https://ropewiki.com/Drahin_(Lower)</a>  Nice little canyon, good for beginners, starts with low water and very easy rappel, and gets more and more technical, especially when the water from the Sionne joins in (about 2/3 of the final flow). At the moment (07.2022), the anchors are not in very good condition (one or two are missing, so you have to improvise on small trees), and a lot of mud is in the canyon. (machine translated)
