Access: (machine translated)
From Villalba de la Sierra towards Uña on the CM2105.
We will arrive almost to the town of La Toba, p.k. 37.8, we have the detour to the right to Buenache de la Sierra. 37.8, we have the detour to the right to Buenache de la Sierra. We go down to the river, cross it and just there we have a track on the right and a parking area on the left.

Approach: (machine translated)
We leave by the aforementioned track on the right, after 400m a track to the left ascending, we get into it. After a kilometer it makes a turn to the right that would go downhill and another track goes straight uphill, we continue uphill, straight ahead, another kilometer, all the time to the south. Here there is a fork that we will take to the right, this track more blurred we will follow it almost 2km, we will have the wadi on our right, at this moment we leave the track to get into the dry riverbed of a stream that leads us to the wadi.

Tour: (machine translated)
To be completed

Return: (machine translated)
When the wadi opens, after 2km, we turn right to go up the slope to take the access track.
