Specialities:

Gear:

Summary: (machine translated)
Simple and quite long canyon, with only one rappel, the rest are skills, slides and jumps. A small water park for a summer sunny day. Perfect for car combinations.

Hydrology: (machine translated)
Difficult due to the surrounding vegetation

Access: (machine translated)
By the AG11 we will leave in O Pobra do Caramiñal.
We will go to look for the DP-6702 to Aldea Vella and the natural pools of the river Pedras. We park at the end of the road in the area enabled the return car.
With the access car we go to the AC-302, direction Oleiros, we pass under the highway and soon the detour to the right to the viewpoint of the Curota or Curotiña, by the CP-6705. We will pass the viewpoints and follow the road along the top of the mountains with the Pedras on the right. We will pass the track at the head of Xoan and then the head of Pedras, shortly after we will be able to park, we will have the access on our right.

Approach: (machine translated)
From the car access is almost immediate.
If we only have one car we will have to go up the Pedras trail to the small road and follow it to the right.

Tour: (machine translated)
There is only one obligatory rappel, but we can make some more to climb up any tree.

Return: (machine translated)
We arrive at the bathing area, take the path that crosses the bridge and leads to the parking lot.

Coordinates:
Canyon Start 42.6031 -8.9386
