Automatisch importiert von Descente-Canyon.com für Canyon Bousquet Journée de formation informelle CAF, notamment sur le débrayage du bas.Le canyon coule bien, surtout après la résurgence qui dégueule à plein. Dans la partie basse, on fait gaffe au niveau de certaines cascades.Le plus joli est au dessus, jusqu'au rappel qui arrive vers la grotte, et dans cette partie haute on n'est pas gêné du tout par la végétation.
