Access: (machine translated)
From Nice on the N 85 ("Route Napoleon") via Grasse in the direction of Digne. 12 km after Grasse you pass through St-Vallier-de Thiey, after another 17.5 km you reach the village of Escragnolles. Continuing on the N 85, we cross the Beiral 2 km after the village. On the left after the bridge we can park the vehicle

Approach: (machine translated)
A few meters further on the N 85, a dirt road branches off to the right to a water tank of the fire department (sign). We go up the slope a bit and then take the grassy forest road that branches off to the right. At a suitable point, turn right down into the streambed.

Tour: (machine translated)
A few minor rappels.

Return: (machine translated)
Still the rappel under the bridge and then right up to the N 85.
