Transport:	**Rock type:**	**Drainage area:** km²
Season: June - August	**Orientation:**	**Best Time:**
Rating: ☆ 0 ()	**Info:** ★ 0 ()	**Belay:** ★ 0 ()

Specialities:

Gear:

Summary: (machine translated)
Spectacular beyu, boxed, dark, aquatic... Ideal for the summer if it were not for the prohibition because it belongs to the National Park of Picos de Europa.
To be done in summer and with a good weather forecast, once inside there is no way out.
Picos de Europa N.P. https://www.onis.es/noticia/-/asset_publisher/b8fa17070c1d/content/el-plan-rector-permitira-el-barranquismo-en-nueve-tramos-de-los-picos-con-estudio-previo?inheritRedirect=false#.Y9eywHbMKUk

Hydrology:
No

Access: (machine translated)
On the N625 towards Oseja de Sajambre.
In the "Desfiladero de los Beyos", at pk 129,2 there is a bridge over our stream and next to it a lay-by.

Approach: (machine translated)
Next to the siding we have a path that goes up the slope, the trail becomes losing soon after starting the climb. We will continue ascending, between brambles towards a small ridge, after this ridge we will descend to a channel that takes us directly to the riverbed, surely we will have to secure the descent from a tree to be able to descend to the river.

Tour: (machine translated)
Narrow and dark fissure, a unique environment and spectacular formations. 4 rappels and several chutes and slides before it opens near the road.

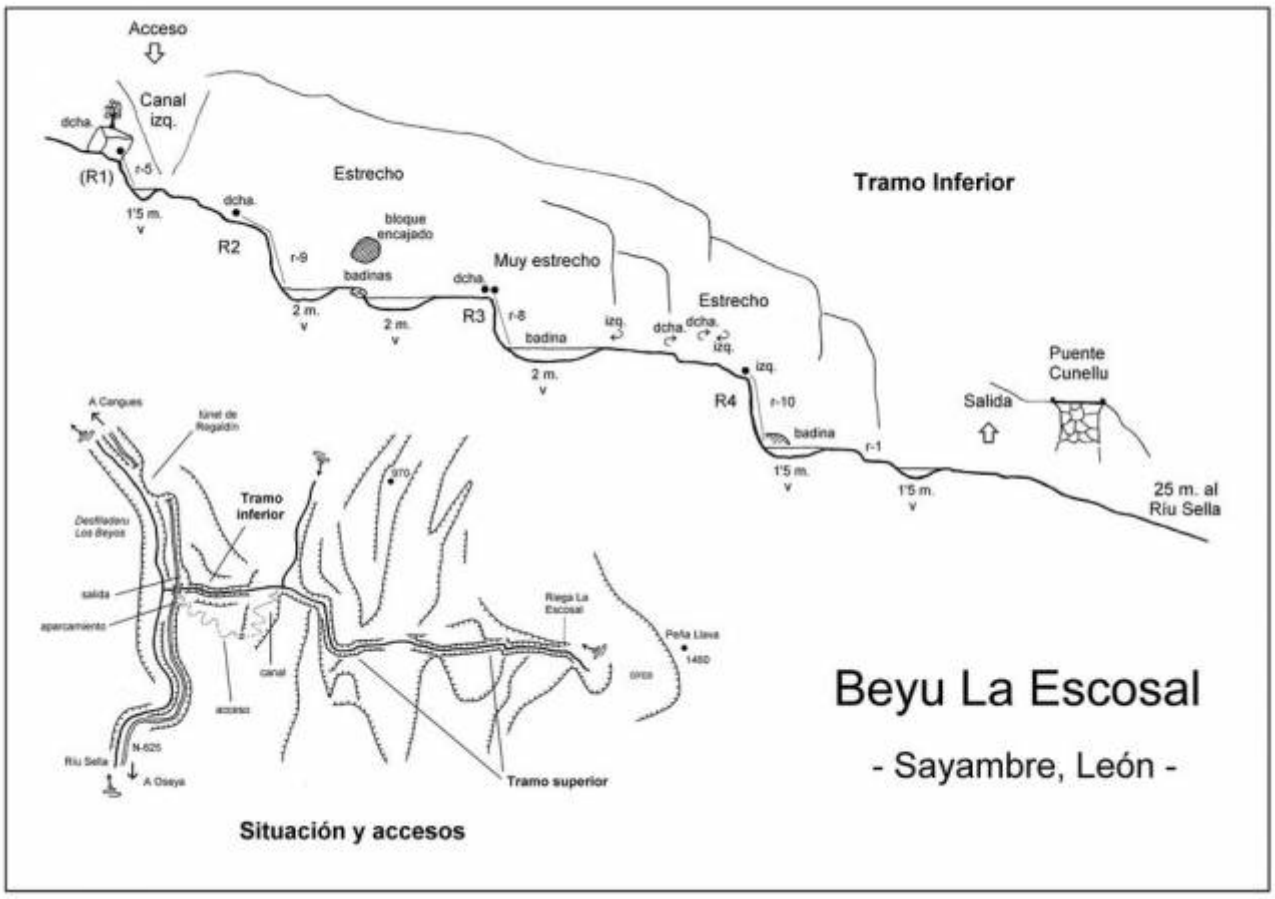

Return: (machine translated)
When we reach the bridge, we will exit on the right or after passing it on the left.

Coordinates:
Canyon Start 43.1714 -5.0717
