| <b>Access:</b> (machine translated)<br>See map   |                                    |   |
| <b>Approach:</b> (machine translated)<br>From the parking lot, follow the road southwards for a few meters to the bridge. Before the bridge, take the footpath to the right, initially along the stream, to the bridge over the Cholschlagerbach. Either get in here (Baumgartner, Brunner, Betrisey) or walk up the eastern bank a little further and then enter the stream at a suitable point.  |                                    |   |
| <b>Tour:</b> (machine translated)<br>see photos and video  |                                    |   |
| <b>Return:</b> (machine translated)<br>After the exit at the road bridge (926m old) follow the road 450m to the east until you reach the car (for the exit).   |                                    |   |

| <b>Reports:</b>  |                                    |   |
| 2025-10-16   Christoph Cramer   ★★ ★   📖 ★★   ⚓ ★   🌊 Normal   🍏 Completed<br>Anchors bent in places and unusually placed, water temperature 7 degrees. Problem-free trip. Very nice to look at with the colorful foliage at the moment. (machine translated)  |                                    |   |
| 2025-09-27   BiodiversitAndy   ★★ ★ 🍏   📖   ⚓ ★★ ★   🌊 High   🍏 Completed<br>Very scenic canyon, with the moss-covered red rocks. Looks bombastic. Did the first and second part. With the high water level, the rappel, which was almost exclusively in the water, was a cold challenge. We were unable to inform the operator of the weir. The number in the description (NR III) was incorrect and no one answered the emergency number. (machine translated) |                                    |   |
