Specialities:

Gear:

Summary: (machine translated)
Dry ravine except after heavy rains, when it can be very interesting to approach. We will find two headwaters, the normal one without complication and the one of the tributary, something more sporty. Perfect to combine with Paleras or Muertos.

Hydrology: (machine translated)
In almost the entire route because it is an open canyon.

Access: (machine translated)
Access to the village of La Aparecida (Orihuela)
On the N340 between Santomera and Orihuela. We will enter the village of La Aparecida and we will go to the cemetery where we will park.

Approach: (machine translated)
Access to the Muertos, Sanes and Paleras banks
The cemetery is located just at the exit of the bcos de los Muertos and Palera.
We will look for the path that leaves from the curve and that goes to half height, it is the PR CV 59 that goes up to the Orihuela mountain range, after gaining the first meters in a westerly direction, it enters the valley of Sanes changing the course to the north. The trail continues to climb with a couple of steps a little more delicate until you reach the head of Sanes.
If we want to go down the tributary we will leave this headwaters and continue up to the next watercourse.

Tour: (machine translated)
Simple, perfect for beginners in canyoning. Except for one canyoning rappel, the rest are trapped.

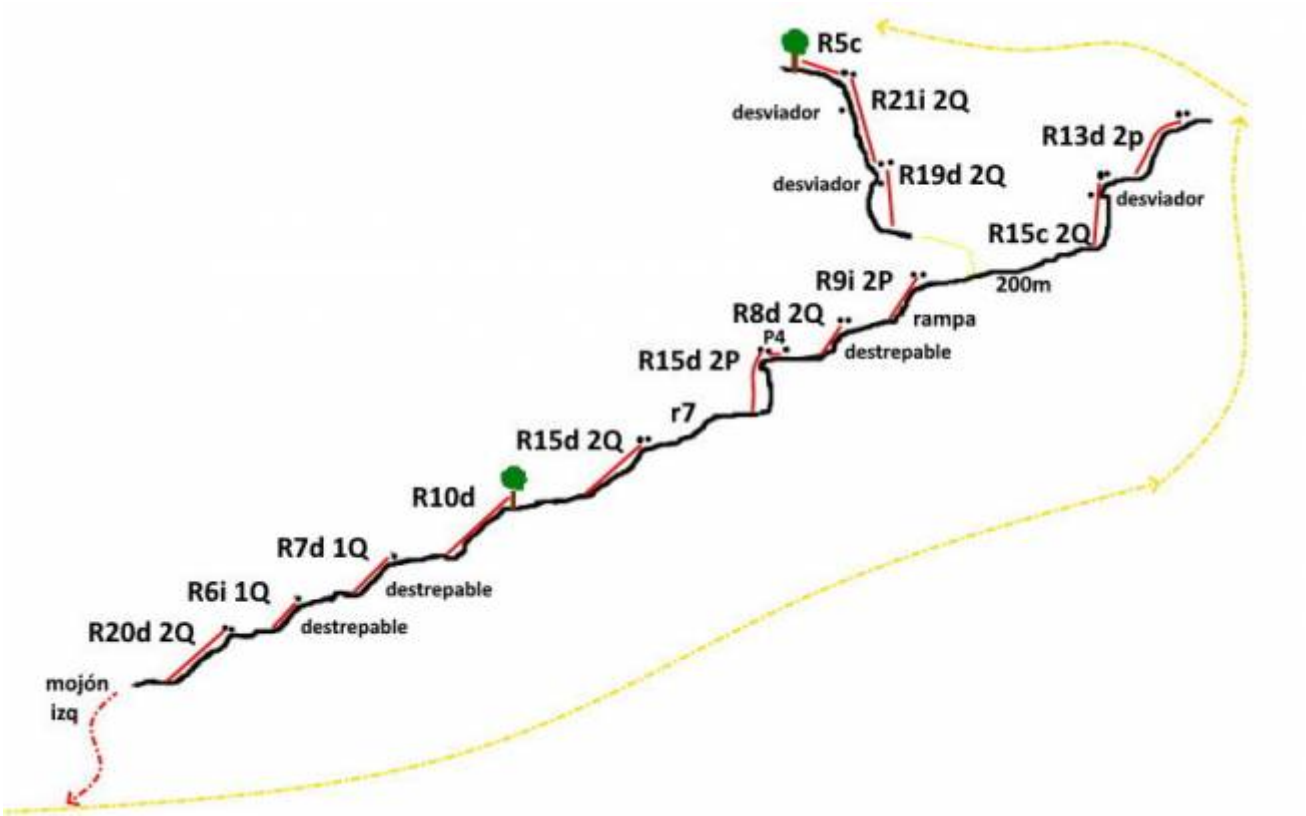

Return: (machine translated)
After the last rappel, we will see a milestone on our left that leads us to a small path that soon takes us to the uphill path.

Coordinates:
Canyon Start 38.0840 -1.0075
