Summary: (machine translated) not yet committed - but is set up!		
Hydrology:		
Access: (machine translated) Salzkammergut: Westautobahn - exit at Regau direction Gmunden, Bad Ischl to Ebensee - there direction Rindbachtal; access to the forest road barrier then approx. 10 minutes walk		
Approach: (machine translated) from the forest road barrier upstream to the hiking trail that leads over a bridge over the stream; from there you can see into the canyon; continue until you can descend to the stream		
Tour: (machine translated) I haven't been there yet, but it's probably more of a short canyon with some nice pools for jumping; I've seen abseiling points from above! In any case, take spits etc. with you, as the condition is unknown!
