Summary: (machine translated)

Simple gully, generally dry.

Hydrology:

Access: (machine translated)

By the MA-11 from Palma to Soller

At the height of Bunyola we have to the left the horse-riding, here we will be able to park. Otherwise at the traffic circle to turn off to Bunyola there is an asphalted track with a street on the right with a place to park.

Approach: (machine translated)

Same access as to the ferrata of Sa Gubia or to the climbing area. After passing the walls of the Pas de Sa Gubia, we will continue a little further to turn left and climb the Coll des Porrasaret. At this point we turn north to go around the Puig Pla until we reach the head of the torrent.

Tour:

Return: (machine translated)

We will follow the riverbed to retrace the access road.
