Summary: (machine translated)
Hidden in the Natural Park of Pagoeta, this small canyon will surprise us with its beautiful waterfall of 35m. Very dense and at times with difficult progression is a little gem to enjoy with good flows. Recently opened by D. Dulanto as most of the ravines in the area.

Hydrology:
Sí

Access: (machine translated)
Situated in the beautiful, humid, lush, ... Pagoeta park on the GI2631 almost next to the village of Aya, if we go along the road in the direction of increasing numbering, at p.k. 19.2 we have on the right to park and on the other side of the signs of the trails and the trail up the mountain. 19,2 we have on the right an esplanade to park and on the other side the signs of the footpaths as well as the footpath that goes up the mountain.

Approach: (machine translated)
We will go up this path through the forest always in a S-SW direction until we cross the bed of our stream.

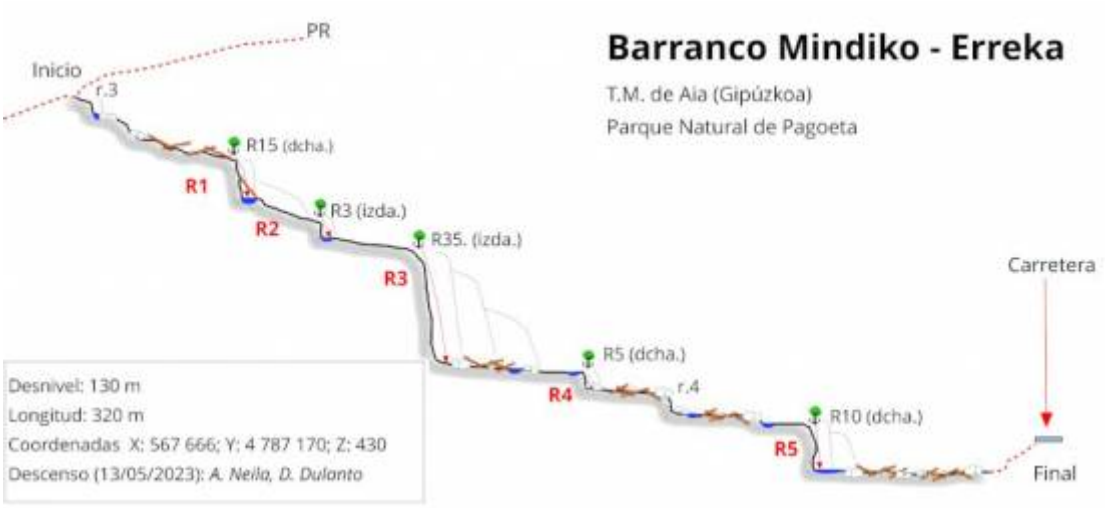

Tour: (machine translated)
Very dense, with many fallen trees, slippery rock, moss... So a couple of rappels to reach the beautiful waterfall of 35m, after it a couple of difficulties and ends soon on the road.

Return: (machine translated)
We exit on the right to go up to the road, we only have to walk 250m to the parking lot.
