<b>Access:</b> (machine translated) From Huesca we take the A-23/N-330 north to Sabinanigo, from there we continue on the N-260 to Biescas (68.5 km to this point). We continue for another 8.6 km on the A-136 towards Col de Portalet and we turn left on the road to Piedrafita de Jaca. We go up for 2.1 km in switchbacks and then -750 m before reaching the village- we turn right at an acute angle. On this track we now drive 850 m to the bridge over "our" stream, the Rio Lana Mayor. 50 m before the bridge there is plenty of space to park our car.

<b>Tour:</b> (machine translated) Only 2 rappels; at the beginning downclimb and some slides. Then rappel in a chute by means of spreaders above the beam, then magnificent colors by indirect sunlight. Then the highest rappel, which can also be jumped from the left - check beforehand ! Finally through a small basin and under a rock out to the slope.
