By the N260 to Sort, once there we turn off by the C13 towards Llavorsi, we will pass it and soon we will arrive at Escaló.

By the track we will go to the monastery and when we reach it, on the north side, we will look for a path that, parallel to the stream, goes up it by the orographic right. It goes to the left to a flat and then takes us to a rocky wall where we will have some small climb until we reach the right tributary. At this point we will go down the tributary until the descent.
