**Summary:** (machine translated)
Short and quite vertical canyon, perfect to combine with any other in the Falgars area where its cuts offer several possibilities thanks to its immediate access and relatively short return.

**Hydrology:** (machine translated)
Impossible in the vertical

**Access:** (machine translated)
Location Val d'en Bas
We must be located in Falgars d'en Bas.
From San Esteve d'en Bas on the C153 southbound, we turn off at Els Hortalets, cross the village and go southbound on the local road. After 500m we have the detour to the right to La Coromina/Falgars. We will go up to Falgars and park.
If we go from the south from Rupit on the C153, in the pk 34 we have a curve where the detour to Falgars.

**Approach:** (machine translated)
Val d'en Bas ravines
From Falgars leaving by the local road to the north we have the detour to the left of the track to Freixadella, the first stream that is usually dry (Bco Freixadella) where there is a rural house with swimming pool, from here we access

**Tour:** (machine translated)
Vertical descent a first rappel with handrail to some trees, then we have a second rappel with spits and the third from a tree.

**Return:** (machine translated)
We follow the course and we have to get to see a small path on the right (with a milestone) that leads us to the uphill track. If we do not see it we will find a second clearer path much further down.

**Coordinates:**
Canyon Start 42.0890 2.4380
