Specialities:

Gear:

Summary: (machine translated)
Open, vertical descent, with good views and that we will have to do it after rains if we want to catch it with good flow, in summer it can dry out. Provide spare material.

Hydrology: (machine translated)
Yes, to the left towards the road.

Access: (machine translated)
By the A52 until Ribadavia, here we leave to take the national road and we turn north towards Avión (San Xusto).
Location bcos Fragas and Rodeiro
We will arrive at San Xusto by the OU212, we follow the same road until the detour to Abelenda, we cross it and arrive at Mouriscados. Here we turn left on the OU0356 to Rodeiro, just before arriving there is a road on our right that goes up to the Ruta dos Chozos and next to it the bridge over the river. We leave the car of return here (or if we only have one).
Access bcos Fragas and Rodeiro
With the access car we go up the road until the last sharp right turn (the 5th and we park).

Approach: (machine translated)
Parking at the top is practically immediate, we head south towards the riverbed. If we have parked at the bottom we will have to go up the road for 2 km.

Tour: (machine translated)
Open, vertical, with somewhat delicate access ...

Return: (machine translated)
We arrive at the bridge next to the one we parked on
