Summary: (machine translated)
Estrets de l'Estany Obert is a very short canyon, very simple but very well formed. Perfect to initiate someone and make them fall in love with this sport.

Hydrology: (machine translated)
In the straits no

Access: (machine translated)
On the N260 between Pont de Suert and La Pobla de Segur, at Senterada we turn left to Naens/Cadolla/Pinyana.
At the detour with Burguet we will follow to Naens/Cadolla and in Naens direction Cadolla. From here it is a track but it is in good condition.
Arriving at Cadolla we can park or a little further on in two "tracks" on the left that go down to the river.
If we have an access car we will follow the track to Pinyana and park.

Approach: (machine translated)
Along the Font path (to the west) we will soon see a watercourse through which we can easily descend to the riverbed.

Tour: (machine translated)
Simple descent that begins with a couple of ledges, one of which can be jumped, we will reach the 12-13m rappel with possible handrail for high flow. After the rappel jump of 6-7m leaves us in another area of skills to a long badina which is the end of the ravine.

Return: (machine translated)
After the badina it opens and we exit to the left.
