Season: January - December	**Orientation:**	**Best Time:**
Rating: ☆ 0 ()	**Info:** ★ 0 ()	**Belay:** ★ 0 ()

Specialities:

Gear:

Summary: (machine translated)
Canyon without much to offer except three rappels. For a day when there is enough time and you are in the area. Necessary combination of cars

Hydrology: (machine translated)
In the vertical part it is difficult because of the lush terrain.

Access: (machine translated)
We must be located in Ramales de la Victoria. To do this we will arrive by the N629 from the A8 in Colindres or from the Port of Tornos.
From Ramales towards the port of Tornos soon we have the detour to the right towards the Puerto de la Sía and La Gandara by the CA-256, we take it and at pk 3.2 a house "Fuente La Casilla" we leave the car back.
We continue along the road until the pk 5.5. Here there is a small bridge on the right and a detour to Rozas, we take it and go up to this neighborhood and continue to the neighborhood of Manzaneda.

Approach: (machine translated)
From Manzaneda, follow a path that enters the ravine.

Tour: (machine translated)
Open at the top and a little more closed at the bottom where the rappels are located.

Return: (machine translated)
Cross the river and go up to the road wherever you can.

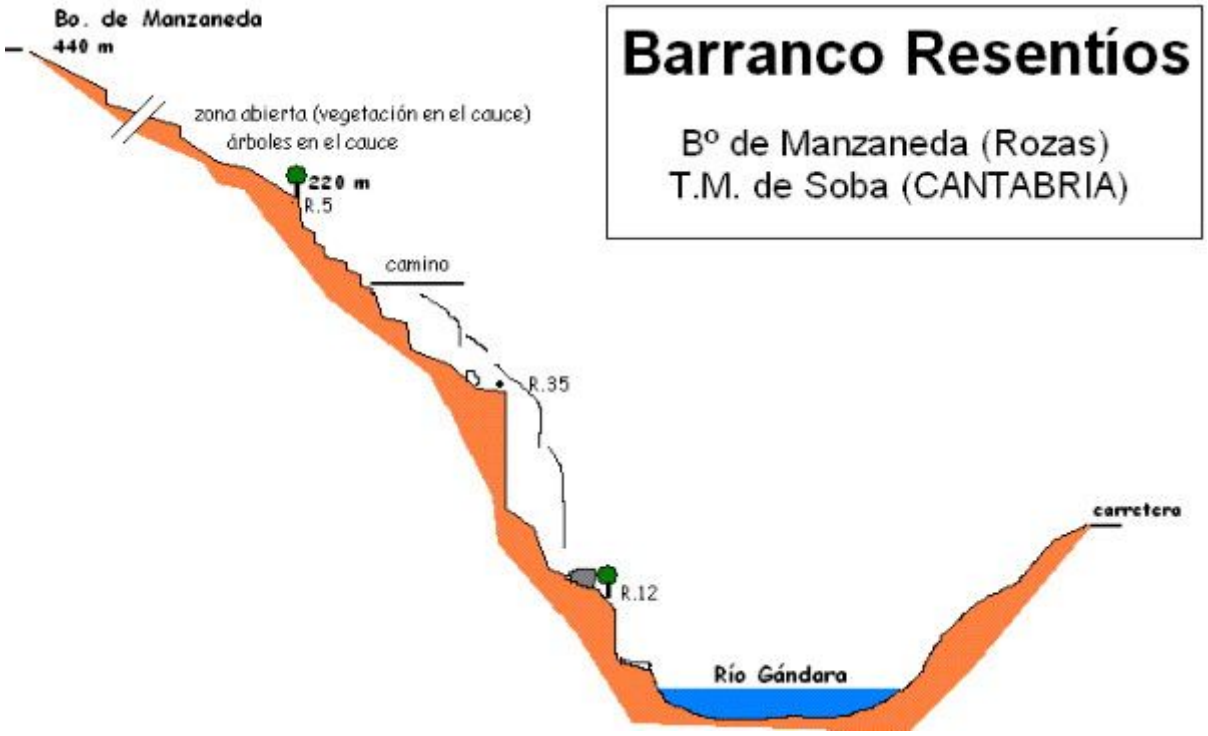

Coordinates:
Canyon Start 43.2156 -3.4900
