Open rappel canyon

**Hidrología:**

**Acceso:** (traducción alternativa)

From Locarno to Gordola and from there turn off into Valle Verzasca. Follow the road to Lavertezzo and park shortly after the village in the paid parking lot on the left-hand side. (The other parking lots directly at the bridge only have a maximum duration of 3 hours!)

**Acceso:** (traducción alternativa)

From the parking lot, return to Lavertezzo and cross the Verzasca over the famous stone bridge. Turn right immediately after the bridge and follow the path along the river. After about 5 minutes, re-enter the forest and turn left. You quickly gain height on very faint tracks and head towards the stream (Swissmaps on your cell phone is very helpful here, also for the further course).

After crossing the stream, stay on the path for a short while and turn left at the first opportunity. The first few meters are steep but recognizable. After that, look for tracks (here you are sometimes far away from Swissmaps). Cut trees and branches point the way. (You get the feeling that you are moving far away from the canyon). On the map, the house Mött Coa, 985 m, is indicated. Behind the little house, look for a water pipe that first leads steeply upwards, where you will find better tracks again. Follow the pipeline to the stream.

**Recorrido:** (traducción alternativa)

The first rappel is over a tree or you can orographically go around the first step on the right via a small path. The rappels take place in an open environment and are mostly ramps, only in the lower part after the path does it get steeper.

The canyon is suitable in spring when there is still some water in the canyon.

**Regreso:** (traducción alternativa)

With the last rappel, follow the path on the right back to the bridge (and jump from it) or swim (at low water!!!) to the other side and you are quickly back at the parking lot, which is on the right.

We wanted to do something less well known in the area and this is x not bad at all, a few weapons issues and rock a bit slippery but overall tour worthwhile (traducción alternativa)
