Hidrología:		
Acceso: (traducción alternativa) We leave the A2 at the Bellinzona Sud exit and drive 7.8 km in the direction of Locarno. At the traffic circle in Quartino we do not take the first exit to Locarno, but the second one towards Vira, Gerra. After a while we drive along the south-eastern shore of Lake Maggiore and then we come to Vira (Gambarogno). Here we park the lower car. InWith the second one (or the post bus - departure 08.35 - 2008) we leave the coastal road and go uphill towards Monti di Fosano. After 4.7 km, at the bend in the road where the road turns NNW coming from the NNO direction, park the car (altitude 640 m above sea level). Here is also a post bus stop ("Monti di Fosano-Monti").		
Acceso: (traducción alternativa) From the car we first take the path in a southerly direction, then after the bridge we go downhill in an easterly direction to a single house on the edge of the slope ("Nebbia"-548 m above sea level). From here in a south-easterly direction on "path tracks" or pathless to the stream. You can also descend from the house on the edge of the slope and then rope in at the confluence of the Vira with the stream coming from the left.		
Recorrido: (traducción alternativa) Alternating rappel and possible jumps, Smooth terrain. Some unverified emergency exits. Climbing allowed only from May 1 to October 1.		
Regreso: (traducción alternativa) In Vira turn left out to the road.
