País: España / Spain Región: Aragón Subregión: Huesca Ciudad: Bierge		
Dificultad: un poco difícil	Grado: v1 a4 III	Tiempo total: 3h35
Tiempo acceso: 15min	Tiempo tour: 3h	Tiempo regreso: 20min
Altitud de entrada: 620m	Altitud de salida: 550m	Altitude delta: 70m
Longitud del cañón: 5000m	Rapel más alto: m	Cantidad rapells:
Transporte: A pie	Tipo de roca:	Zona de entrada: km ²
Temporada:	Orientación: Sur	Mejor época:
Clasificación: ★ 3.6 (1)	Información: ★ 0 ()	Belay: ★ 0 ()
Especialidades:		
Equipo: Cuerdas: Notseil		
Resumen: (traducción alternativa) Hiking and swim canyon		
Hidrología:		
Acceso: (traducción alternativa) From Bierge on the southern edge of the Sierra Guara in the direction of Aguas (west), Yaso. Cross the Alcanadre below a dam and reach Morano. 500 m after the village, in a bend to the left, turn right into a parking lot (where you also park for the access to the Peonera inferiore). Take the second vehicle back to Bierge and from there continue towards Rodellar. After 10.5 km turn left (west) to San Saturnino. Park the second vehicle there.		
Acceso: (traducción alternativa) From San Saturnino westwards down to the river (15 min.). If you only have 1 vehicle available, you can walk north from the parking lot north of Morano along the track that starts here. After a bend to the right, a track branches off to the left, which we follow to a saddle. It continues to wind its way northwards (parallel to the Rio Alcanadre to the east). Beyond the Alcanadre you can see the houses of San Saturnino. The track that leads off to the right takes us to the river (90 minutes in total). Access options also via Bco. os Arenales/Hondo (see video and photos 2014 and https://es.wikiloc.com/rutas-descenso-de-barrancos/peonera-integral-entrando-por-arenales-14234547), at the Puente d'o Caxigo (footpath to the Ermita de San Martin) and via Fajana del Ordio (see map sketch at "Sierras de piedra y agua. Barranquismo en Huesca - Parque de la Sierra de Guara - Sierras exteriores" , Enrique Salamero, 2002).		
Recorrido: (traducción alternativa) Although the Alcanadre (in summer) has no water at the beginning, this changes as you enter the narrows. The exit over a rock ramp at a sharp left bend of the river is easier to see if you have already entered the Peonera inferiore here.		
Regreso: (traducción alternativa) After the canyon narrows again after a longer widening, it makes a striking left turn after a few hundred meters. Go straight up the cirque (access to the Peonera inferiore) and follow the path, first keeping to the right, later in a long left turn back to the vehicle in the parking lot north of Morano (45 min.). You can also continue along the subsequent Peonera inferiore. There, after the right-hand bend in the following left-hand bend. There is also another exit option on the right up to Morano.
