Also walked the "devil'slide", 2 concatenated rappels of 20 and 16 m. Compared to the rest of the canyon it is much more technical and complex, with lots of water, a turbulent hanging pool. In tot. with devil 3 rappels (you avoid the final "classic" route) Watch out for the weapons of the devil (traducción alternativa)

Busy stream with few but beautiful rappels, lots of water and huge pools, passable from mid-June onward until October (traducción alternativa)
