Rapports:

On access via the forest road, the entry was easy to find if you keep right at the first junction behind the cow gate. The holds were all good, some new chain anchors were drilled in. Only at abseil point no. 4 was the anchor difficult to reach. Otherwise a beautiful canyon with lots of downclimbing and a few nice rappels. (traduction alternative)

2025-08-04 | Ralf Breitenstein | ★★☆☆ | 📖★★ | 📍★★★ | 🌊 Normale | 👍 Terminé

Access via forest road to the hunting lodge, easy to find. At the penultimate abseiling point (no. 2) the rock is undercut. Otherwise everything is in order, very well equipped. (traduction alternative)

2024-07-31 | Waldemar Engelhardt | ★★☆☆ | 📖★★★ | 📍★★★ | 🌊 Faible | 👍 Terminé

Stands all in order so far. The entry is not so easy to find. We entered from further up through a dry streambed behind the slide brake (traduction alternative)

Description fits, abseil stands all okay, only the hunting lodge used as an entry marker can be seen poorly or late (traduction alternative)
