Tour: (traduction alternative) Beautiful pools, little cut in. Siphon at the foot of the first large waterfall (avoid at all costs on a small RD course at the edge of the pool). On this climb, the first person must arrive without a rucksack. Sunny around noon, beautiful colors of the rocks and water. One of the most aesthetic canyons in Ticino, even if it is not very narrow.		
Retour: (traduction alternative) Use the approach path.
