<b>Résumé:</b> (traduction alternative) A beautiful, mostly very grippy canyon. Unfortunately, there is a longer, uninteresting section over scree in between. The canyon is moderately well equipped. The tour is short but tends to be fresh.		
<b>Hydrologie:</b>		
<b>Accès:</b> (traduction alternative) From Césane at the foot of the Montgenèvre pass, take the road from Bousson along the river. At the Bousson exit, take the road on the right to Thures. Just before Thures, at a leftward hairpin bend where there are garbage cans, go straight along the small road that leads to the hamlet of Rhuilles. The road becomes a good path. Cross Rhuilles and continue straight on. After 1.5 km, the road forks: right leads to the exit, left to the access.
