Résumé: (traduction alternative) Sintered forest stream, attractive		
Hydrologie:		
Accès: (traduction alternative) Leave the A 40 freeway (Geneva-Lyon) when it turns towards Paris in the direction of Lyon. Now 10 km on the A 42 direction Lyon to leave it via the D 77E. Before Amberieu (en Bugey) one comes on the N 75, drives on this to the south. 9 km further one drives over Rhone and turns shortly afterwards in the direction of the east. On the left bank, Rhone goes up for 5.5 km. Here we leave the N 75 and cross to Villebois on the other side of the Rhone. Here we park near the church.		
Approche: (traduction alternative) From the church, we follow the dirt road uphill in a northerly, later north-easterly direction. We cross another path and now follow a path until a sign points to the Rhéby canyon. We continue along the path as it swings over a side stream. Continuing north across a clearing in the forest, we reach the entry point.		
Tour: (traduction alternative) Short but attractive, well to combine with the nearby Trefond-Pernaz and/or Arodin. Prohibited in August and from Nov. 1 to April 14 (as of 2012).		
Retour: (traduction alternative) After the last waterfall (C9) a sign ("sortie canyon") points out to the left. It goes steeply up again to the path on which we came and on this right down to Villebois.

Automatisch importiert von Descente-Canyon.com für Canyon Rhéby Amarrages OK, RAS. On s'est pris des chutes de cailloux au dernier rappel, sûrement dû à un passage animal au dessus. (Quelle: <https://www.descente-canyon.com/canyoning/canyon-debit/224/observations.html>)

Rg parked at entry level. After the last rappel steeply up left, first follow the steel railing. Approach 10min, exit 20min. Very nice canyon with some slides but very short (traduction alternative)
