Everything tip top. Rather little water. Not so slippery at the moment, but lots of leaves. (traduzione alternativa)

Everything ok so far. Some new fixed ropes, a few could still be replaced. Otherwise tip top. Currently for the Erb, lots of water. (traduzione alternativa)

Good conditions after night thunderstorm. Really short, from car to car 90 minutes. Upper part was very slippery, a lot of fixed ropes, which looks like new.

All stands ok. Some fixed ropes with sheath tears. Surprisingly little water and not very slippery. Despite the bad weather, the guides led us diligently today. Perfect half-day tour. (traduzione alternativa)

Currently very little water. In places slippery again. The installed fixed ropes are already somewhat worn. (traduzione alternativa)

2023-07-01 | Rok | ★★☆☆ | 📖★★★ | ⚓★★★★ | 🌊 Normale | 🍌 Completato

Currently nicely cleaned through, little slippery. Many fixed ropes in good condition. The nice inn at the exit of the gorge has unfortunately closed, so the parking situation is difficult again (at the last tenant we asked if we could park with him, was no problem). (traduzione alternativa)
