Sintesi: (traduzione alternativa) Very nice slide and jump canyon without forced abseiling, especially suitable for beginners and children. Left tributary of the Roya.		
Idrologia:		
Accesso: (traduzione alternativa) From Ventimiglia up the Roya valley. Passing the junction of the road (D 19) to Sospel (16 km from Ventimiglia), turn right about 1.5 km further and cross the Roya to Fanghetto, where you park the vehicle in front of the village		
Avvicinamento: (traduzione alternativa) The footpath to Breil-sur-Roya goes slightly uphill in a northerly direction. Without realizing it, we cross the border with France. At marker "411" we turn right onto a path that climbs slightly up the orographic left slope of Audin. We come to marker "445", where the entry to the lower Audin (only jumps & slides without real rappel) goes down on the left.		
Giro: (traduzione alternativa) A succession of pools, sintered slides and possible jumps. Except for one place, everything is doable without ropes. July 2024 Everything can be done without a rope, but be careful. Two obvious slides are equipped with anchors. The first is slippable, the second has a block at the bottom. Carefully downclimb these and only slide the lower part.		
Ritorno: (traduzione alternativa) The easiest way is to turn left before the canal and cross the canal to the footpath. Or after the canal, go under the bridge and left up to the footpath. Follow this back to Fanghetto.

Everything tip top. I would say that if you're not a good climber, you need a 10 m rope once. After the emergency exit there is a slide and the place after that cannot be jumped or slid under any circumstances. (traduzione alternativa)
